	<p>attitudes and prejudices that influence identity formation and the process of individuation.</p> <ul style="list-style-type: none"> <li>➤ To encourage students to develop the capacity for perspective taking and appreciating different points of view.</li> <li>➤ To develop sensitivity towards needs of children by connecting with one's own childhood experiences Workshop Themes.</li> <li>➤ Understand and challenge the unconscious, conditioned attitudes that are stereotyped and prejudiced (gender, caste, class, race, region, disability etc.) and critically examine the sources of stereotyped messages (e.g., media).</li> <li>➤ Defining consciously one's own values towards self and society and develop a capacity to understand and appreciate divergent points of view. Widening their realm of consciousness.</li> <li>➤ Developing the capacity for empathic listening and communication skills.</li> <li>➤ Understanding one's own childhood and adult-child gaps in society.</li> </ul>	
<b>Unit-IV</b>	<p><b>Peace, Progress and Harmony</b></p> <ul style="list-style-type: none"> <li>➤ To develop the capacity to establish peace within oneself</li> <li>➤ To develop the capacity to establish harmony within a group and methods of conflict resolution</li> <li>➤ To understand the meaning of leadership and develop attitudes and skills of a catalyst</li> <li>➤ To understand the basis of social disharmony, the factors those contribute to it and ways to facilitate change</li> </ul> <p><b>Workshop Themes</b></p> <ul style="list-style-type: none"> <li>➤ Establishing peace within oneself: exercises of concentration and meditation</li> <li>➤ Understanding group dynamics and communication</li> <li>➤ Creating group harmony: exploring methods of creating a collective aspiration for progress and conflict resolution</li> <li>➤ Exploring the bases of social disharmony: becoming the agents and catalysts of change and exploring methods of facilitating change</li> </ul>	<b>18 Hrs</b>
<b>Unit-V</b>	<p><b>Facilitating Personal Growth: Applications in Teaching</b></p> <ul style="list-style-type: none"> <li>➤ To explore attitudes and methods needed for facilitating personal growth in students.</li> <li>➤ To explore ways of integrating the facilitation of personal growth and social skills within the formal curriculum.</li> </ul> <p><b>Workshop Themes</b></p> <ul style="list-style-type: none"> <li>➤ Becoming a self-reflective practitioner: becoming conscious of one's own attitudes and communication pattern while teaching.</li> <li>➤ Observing children: appreciating social, economic, cultural and individual differences in children and relating with them.</li> <li>➤ Exploring and practicing ways to facilitate personal growth and develop social skills in students while teaching.</li> </ul>	<b>18 Hrs</b>
<p><b># Mode:</b> There is no standard prescribed material for these workshops. The professional experts are expected to engage with the students with specially designed activities. These could be based on the facilitator's personal integration and unique individual and group characteristics and are rooted within the context of student's lives and contemporary realities. It is suggested that the students be given space to explore and articulate their own sense of life and its issues. They can be encouraged to think a fresh on issues that most closely concern them and use creativity and imagination to develop a perspective on</p>
